

## Employment Equity Education Awards 2014 Information Technology

Manitoba Liquor & Lotteries is pleased to continue its Employment Equity Education Awards program to promote our commitment to Employment Equity and assist us in meeting future employment needs. **Please encourage eligible students to apply.**

These awards are available to students who are members in the following Employment Equity groups:

- Persons with Disabilities
- Visible Minorities
- Women in or aspiring to be in male-dominated occupations

And who are entering their **First Year to Second Year studies** in one of the following:

### **INFORMATION TECHNOLOGY** at:

- University of Manitoba, University of Winnipeg, St. Boniface College or Brandon University in Computer Sciences
- Assiniboine Community College, Red River College or University of the North studying the following programs: Computer Analyst/Programmer, Computer Systems Technology, Electronic Engineering Technology or Electrical Engineering Technology

Our Employment Equity Education Awards program is based on academic achievement. For 2014, Manitoba Liquor & Lotteries is pleased to provide **1** award valued at **\$1,500**.

Award recipients may also be selected for an apprenticeship and/or summer employment at Manitoba Liquor & Lotteries. All applicants must be 18 years of age or older.

The deadline for students to submit their application forms to the educational institutions is **October 1, 2014**.

Applications will be available on the Manitoba Lotteries' website at [www.manitobalotteries.com](http://www.manitobalotteries.com) and at your educational institution's award office. For more information, please contact Manitoba Liquor & Lotteries at 204.957.2500 ext. 2372.

\*Aboriginal persons who are members of the Employment Equity category are encouraged to apply with our partner, The Helen Betty Osborne Foundation. For more information and to apply please see: [www.helenbetty.ca](http://www.helenbetty.ca)
