

COMP 7210: Assignment 2

Due: October 13, 2011, 12 Noon

Objective: Typeset your solution to Assignment 1 in \LaTeX .

Detailed Instructions:

1. You should incorporate the feedback from Assignment 1 into your revised version. Your mark for Assignment 1 will be updated based on the edits you submit for this assignment.
2. You do not need to use BibTeX to typeset your bibliography. It is sufficient to type them by hand, similar to assignment 1 (but in LaTeX). Your text references can also be by hand (e.g., you can type in [1], [2], manually.).
3. Submit your `.tex` source file by email to `mdomarat@cs.umanitoba.ca` by the deadline.
